Expect President To Give Important UN Talk Tonight

By MAX HARRELSON

SAN FRANCISCO (AP)—President Eisenhower was reported ready to open the U.N.'s 10th anniversary session today with an important policy declaration.

This word came from informed sources as the Big Four foreign ministers prepared for a private huddle tonight to plan the meeting of their chiefs of government in Geneva July 18.

Some diplomats believed Eisenhower's speech would have special significance, coming as it does just a month before the top-level talks.

The first direct contact between Soviet Foreign Minister V. M. Molotov and the Western leaders was established last night at a dinner given by Colombian Ambassador Eduardo Zuleta Angel.

Returns Home Tonight

Secretary of State Dulles was unable to attend the dinner because it conflicted with the arrival of President Eisenhower at International Airport in his private plane, Columbine III. Ambassador Henry Cabot Lodge Jr. attended in his place. British Foreign Secretary Harold Macmillan and French Foreign Minister Antoine Pinay also were present.

The President drove directly to his hotel from the airport and planned to remain there until time for his speech. He will leave for Washington tonight.

Diplomatic circles expressed the belief that the business of the Big Four foreign ministers might be concluded without too much difficulty. The only subject for discussion, it was understood, was the agenda of the "summit" talks and other procedural arrangements connected with the Geneva meeting.

Dulles Hosts Dinner

Tonight's Big Four meeting was arranged by Dulles, who will be host to the other three at a dinner in his hotel.

More Than \$2,000 Is Netted Hospital Building Fund From Horse Show Sunday Afternoon

With all proceeds earmarked for the building fund of the Warner Hospital, the Gettysburg Riding Club-Rotary Club-sponsored Gettysburg Horse Show Sunday afternoon attracted an estimated 5,000 spectators for the seven-hour exhibition of riding, driving and jumping by more than 100 competitors.

It was the third annual horse show for Gettysburg and in the opinion of officers of the sponsoring clubs it was the "biggest and most successful."

Lewis Bollinger, of Cold Stream Farms, Richland, Pa., judged the event and labelled it "a good show, a very good show."

It was estimated that \$2,000 or more will be cleared for the hospital in addition to the receipts from the "Buy a Brick" campaign cliraxed at 4 p.m. Sunday with drawings for three ponies, six bicycles and four savings bonds.

Wins Two Drawings

Although a light shower in the early evening sent some of the crowd home early, the cloudy skies were welcomed by the show crowd who remembered the sweltering heat of the 1953 and 1954 events.

Capturing the opening event with her two palominos, Miss Peggy Long, daughter of Mr. and Mrs. L. S. Long, Longview, took the championship and reserve championship in the open jumping stake as the show closed. Riding Kris Kringle, Miss Long covered the difficult six-jump course with half a fault and, later on St. Nicholas she scored a single fault while her nearest competitor had 18 faults charged.

The show championship in the Western Horse class was captured by Robert Foth of Gettysburg aboard "Joker." Foth was presented by President LeRoy H. Winebrenner with the Riding Club Challenge trophy for that class. This was the first year it was offered. Three victories for any stable give permanent possession of the big, engraved silver trophy.

Wins Rotary Trophy

The title of best walking horse in the show was won by "King of Cotton," ridden by John Needy, Hagerstown, and he received the Rotary Challenge trophy for that event from President Roy A. Hammond of the Rotary Club. This trophy also was offered for the first time this year and will go to the first stable winning it three times.

The five-gaited saddle horse stake and a memorial challenge trophy offered by the Conte Brothers, of the Horse and Buggy Museum, was won by Janet Hippey on "Diamond Jack." The horse is owned by Samuel Hippey of Quantin, Pa. The presentation was made by John Conte. The trophy was in memory of Thomas Conte, founder of the museum collection.

The reserve championship in that class went to Dr. Bruce N. Wolff, Gettysburg, who was riding his "Fairview Streamline."

John S. Rice, Gettysburg, riding "Hot Shop Wilson," captured first place trophy in the Adams County Pleasure Horse Class limited to county riders. Charles W. Jacobs, Gettysburg, on "Lady J." placed second; Constance Schroll, Orrtanna, on "Playmor's Fancy Boy," third, and Miss Nancy Wolff, Gettysburg, on "Sunshine Sue," fourth in the class of 12.

"WHAT IS A MAN?"

The dictionary says a man... is one of high degree... a human being of male sex... with mainly quality... and there are many other things... that go to make a man... so I shall try to point them out... the best I can... even a boy can be a man... if he possesses strength... and if to find the righteous way... he goes to any length... if he can smile when skies are gray... come back when he has lost... then meet the future with new faith... he's paid the manly cost... a man is someone who loves truth... and works to earn his pay... a person who gives youth a boost... toward the godly way... one who regards the other side... but sticks to what is right... a soul with patience that is touched... by justice mixed with might... an individual who loves... his wife and family... one who possesses tolerance... he is a man to me.

TAIPEI, Formosa (AP)—Nationalist China announced today its warplanes attacked a fleet of more than 400 Chinese Communist vessels about 15 miles from Matsu, a Nationalist island, and sank more than 20. AIR FORCE PLANS NO DISCIPLINE FOR FREED ACES

WASHINGTON (AP)—An Air Force spokesman says a false germ warfare confession was obtained by Chinese Communists from one of four returned American jet pilots, but no disciplinary action against the officer is planned.

He named the flier as Capt. Harold Fischer Jr., of Swea City, Iowa, a double jet ace of the Korean War who was released May 31 after more than two years in Chinese prison camps.

The spokesman said Fischer and three other fliers released with him also "confessed" to crossing the Yanto Chinese territory under Air Force orders. But he said no such orders had been given.

Study Actions The spokesman said the actions of all four men are under study, but he indicated they probably "will be given a clean bill of health."

The Air Force has declined to discipline any of its men for actions while they were Chinese prisoners, on the ground they were acting under pressure of Communist mistreatment.

The officers released with Fischer are Lt. Col. Edwin Heller, Wynnewood, Pa.; Lt. Lyle Cameron, Lincoln, Neb.; and Lt. Roland Parks, Omaha, Neb. The four were tried May 24 on Communist charges of "intruding into China for harassment and provocative attack." Heller told a news conference in Honolulu June 2 that all four pleaded guilty and were ordered "deported" to the United States.

Heller confirmed the story last night at his Pennsylvania home, saying, "The story is accurate," and acknowledging that he made the confession attributed to him. He declined to elaborate, however.

"I'm in the process of trying to sell my story to a magazine and I don't want to do anything to hurt that."

NEW YORK (AP)—The city of Reading, Pa., is one of 22 communities throughout the country which have reached the final round of the All-America cities contest.

The awards are granted jointly each year by the National Municipal League and Look magazine to communities which in the opinion of the league do "an outstanding job of solving local civic or governmental problems through intelligent, concerted citizen action."

States. Heller confirmed the story last night at his Pennsylvania home, saying, "The story is accurate," and acknowledging that he made the confession attributed to him. He declined to elaborate, however.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Samuel Faber Sr. has been appointed Postmaster at Table Rock, (Lower) Mill, this county, in place of Samuel Faber Jr., resigned.

The Ladies Of Gettysburg have it in contemplation to present a flag to the new Volunteer Company now organizing in our place. It will probably be ready by the 4th, and the presentation will add much to the interesting exercises of the day.

Married, On Sabbath evening, June 17, by Rev. E. H. Hoffheins, Mr. John Porter, of Williamsport, Lycoming County, Pa., to Miss Susan Grove, of Hamilton Township, Adams County.

At Martinsburg, Va., on the 19th inst., Mr. Plus Hemler, formerly of this county, to Miss Razea Smith, of Martinsburg.

Fire! On Tuesday night last, about 10 o'clock, our citizens were startled by an alarm of fire, occasioned by the burning of a box of shavings, in a shed adjoining the stable of Wm. C. Hoffman, on the property now occupied by Mrs. Sell. The fire had communicated to the frame-work of the stable, but by a timely alarm, was speedily arrested. It was evidently the work of an incendiary. The fact that we still have in our midst these heartless villains, should induce our citizens to be constantly on the alert. — Star.

E. McPherson, Esq., has commenced the publication of a daily paper in Pittsburg, entitled the "Evening Times," and has hoisted the flag of the American party. He is a young man of decided talent, of indefatigable industry, and an able, nervous writer. He has sometimes been a little too ardent and "progressive" for our "old fogey" notions, but probably we err on the other extreme, so that the least we say on that subject may be the better. At all events he has the talent and energy to "go ahead" and will be very apt to "make his mark." We welcome our young friend and late townsman into the "Corps Editorial" and heartily wish him success.

SEVENTY-FIVE YEARS AGO

The Democracy are marshalling for the Cincinnati convention, with anxious solicitude. The strong ticket presented by the Chicago convention has startled them into the conviction that they must trot out their strongest man, or go under. Tilden, it is now conceded, will have to give way. But where to get a man to beat Garfield is the conundrum the Cincinnati crowd will have to solve, and one they are not likely to solve successfully.

Current News And Notes: The floods in the Upper Mississippi region have caused a loss of \$1,000,000.

Local Items: Samuel Herbst, this place, has bought 800 tons of bark this season.

The Hanover Cornet Band will picnic at East Berlin July 5.

Corporal Skelly Post G.A.R. will hold their annual picnic on Culp's Hill on Saturday July 3.

On Saturday the McSherrystown Cornet Band will have a picnic in a grove near that place.

Jeremiah Cullison, crier of the York court for 21 years, resigned last week. James H. Blasser is his successor.

Rev. R. F. McClean has resigned the pastorate of the Presbyterian congregation at McConnellsburg.

Postponed: In consequence of the unpleasant weather the Catholic Parochial School Picnic has been postponed until to-morrow, (Thursday).

On Monday Edgar M. Hewitt left at this office a cherry limb 14 inches long, containing 170 cherries.

Today's Talk

SURPASS YOURSELF
We are apt to become discouraged — and sometimes embittered — over the fact that someone else whom we know, or who may be associated with us, makes greater progress than we do. But that should not worry us. What we should take to heart and consider of the greatest importance should be to constantly seek to surpass ourselves in some way.

I like the idea of always trying to do better whatever I attempt that can be improved upon. In other words to do a job better than it has been done to date! People invent important machines, but there are those who keep improving upon them. A few years ago who dreamed of such things as the telephone, radio, TV and an endless number of other inventions that have added to our health and comfort, to say nothing of adding to our happiness.

There are ideas in the minds of many today that a kindly Providence has planted there. Those ideas bear buds in time, and then fruit, and some bright morning the one who gave them mind space will be inspired by the fact that he has added to the sum total of all knowledge in the world. He will have surpassed himself!

We were put into this world to be kindly and helpful to others, to rejoice in the success of others, and never to measure that success in terms of mere money. No thief breaks in and steals unborn ideas! But if you have a better idea than any revealed, the world will thank you to step forward with it. People will like to know that you have surpassed yourself.

No matter to what age you may live, there is no limit as to the improvement of your mind and character. There may be things to do at 70 or 80 that never occurred to you when you were careless and forgetful, as well as heedless at 20. Surpass yourself and personal cheers will bless you!

Tomorrow Mr. Adams will talk on the subject: "What Makes Ike Click?"

Just Folks

SO LONG, MR. CHAIRMAN

Bang the gavel on the stand. Say "good bye" and wave your hand. Mr. Chairman, now you may put the joke books old away. Until summer comes and goes. Here's the banquet season's close. When at home the table's set. What you choose to eat you'll get. Be it stew or chop or steak. You will have no notes to make Of the ones to introduce. So enjoy your glass of juice.

There will be no singing group To present when done with soup; None to rise to take a bow. You can eat your dinner now. You can get the rest you need Without telegrams to read.

Without lectern, two lamps lit, At your table you can sit. 'Till the summer time has gone. There will be no "mike" turned on. Mr. Chairman, homeward wend. Here's the banquet season's end.

Yankees Take Pair From Chisox To Regain Loop Lead While Tribe Bows To Bosox; Rash Of Homers

By ED CORRIGAN
The Associated Press
The New York Yankees perched atop the American League again today in the see-saw battle for first place. They got there by whipping their No. 1 rivals, the Chicago White Sox, twice.

That's never been any problem for the Yanks, who could always fight the pretenders to their throne on even terms.

In the view of Manager Casey Stengel, it's the league have-nots that make the difference. After Cleveland grabbed the pennant last year, he complained that the Indians had managed to fatten themselves on the second division clubs.

Pair For Ted
That makes Boston's 11-7 victory over Cleveland yesterday significant. The Red Sox couldn't lick the Indians in Boston at all last year and, in fact, beat them only twice in 22 games.

It's different this year. The fifth-place Red Sox have won 7 of 12 from Cleveland, and have taken three of a four-game set.

Ted Williams blasted a pair of home runs yesterday as the Sox teed off on Indian rookie ace Herb Score for eight hits in the four plus innings he lasted. Mel Parnell and Tom Hurd handled the Sox pitching.

Yankee Bats Win Pair
The Yanks beat the White Sox 7-4 and 5-2, using the home run to good advantage. Elston Howard and Bill Skowron homered in the opener and Gil McDougald and Mickey Mantle in the nightcap.

The first game was no contest with Ed Lopat scattering seven hits for his fourth victory. The second game, however, presented more of a problem.

The game was tied at 2-all going into the last half of the seventh and Sox pitcher Jack Harshman had the Yanks worried. Then McDougald broke the tie with a blast into the lower right field seats. Hank Bauer tripped and in came Sandy Consuegra, who was greeted with a home run off the bat of Mantle. Rookie Johnny Kucks needed help from Jim Konstanty, who was credited with the win.

There was no other action in the American League.

Dodgers Forge Ahead
In the National League, the Brooklyn Dodgers stretched their lead to 11 games by beating the St. Louis Cardinals 7-4 while the second-place Chicago Cubs were splitting a double-header with the Philadelphia Phillies. The Phillies won the first 1-0 behind Ron Nease and Jack Meyer, and the Cubs took the nightcap 8-7, a curtailed 6½-inning affair because of darkness.

Milwaukee whipped New York 8-7, and Pittsburgh and Cincinnati split a pair, the Pirates taking the first 5-2 and the Redlegs the second 4-0 with Joe Nuxhall wielding the whitewash brush.

The Brooks peppered an assortment of five St. Louis pitchers for 15 hits—including a home run by Sandy Amoros—in their victory. Carl Furillo was the only regular except pitchers Carl Erskine and Karl Spooner, who didn't get a hit. Spooner, who relieved Erskine in the fifth, was the winner.

Goes 15 Innings
The Phils won the first game in the 15th when Mervyn Blaylock singled and Willie Jones doubled him home. Cub reliever Hal Jeffcoat's six-game winning streak was broken, while Meyer, who gave up only four hits in the last eight innings, snapped a six-game losing skid.

The second game was a slug-fest battle with the Phillies scoring three runs in the top of the seventh with darkness closing in. They fell just short of the Cubs and the umpires called the game. Warren Hacker saved the game for Howie Pollet, who, in turn, relieved Dave Hillman in the fifth.

Braves 13 Now
Milwaukee took over third place with its victory over the slumping Giants. Manager Leo Durocher of the Giants benched Willie Mays, the Most Valuable Player in the league last year and batting champion of '54. Ray Crone was the winner in relief and Paul Giel the loser. The winning run in the eighth inning was unearned, scoring as a result of an error by Al Dark.

First baseman Dale Long hit two home runs to lead the Pirates to their opening-game victory over the Redlegs. But they had nothing left in the nightcap and collected only six hits off Nuxhall.

U.S. OLYMPIC OUTLOOK GOOD

LOS ANGELES (AP)—A bunch of record breaking collegians have shown that the United States next year could have its best Olympic track and field team in history.

"From the standpoint of performance, I think it'll be the greatest we've ever had," said Minnesota's Jim Kelly, chairman of this nation's Olympic track committee.

He had watched five NCAA records broken and one tied in the meet ending Saturday and this week goes to Boulder, Colo., to see many of these same college stars and other amateurs compete in the national AAU event.

"I don't think any nation is going to beat us in track and field," the veteran Kelly added. "That goes for the Russians and anybody else. We're not leaving a stone unturned in our efforts to obtain and develop the best talent in the nation."

The University of Southern California won the NCAA but not as easily as expected. It wasn't until two Trojan pole vaulters collected 10 points by finishing in a four-way tie for second place in that final event that the meet was decided. USC scored 42 points, UCLA 31, Kansas 30, Oregon 29, Northwestern 20, and Manhattan and Villanova 18 apiece.

The game was tied at 2-all going into the last half of the seventh and Sox pitcher Jack Harshman had the Yanks worried. Then McDougald broke the tie with a blast into the lower right field seats. Hank Bauer tripped and in came Sandy Consuegra, who was greeted with a home run off the bat of Mantle. Rookie Johnny Kucks needed help from Jim Konstanty, who was credited with the win.

IOWAN BEATS BEN HOGAN IN NATIONAL OPEN

By CHRIS EDMONDS

SAN FRANCISCO (AP)—Tournament golf has seen the last of Ben Hogan, he says, but it'll see a lot more of a hitherto unknown Iowan who used the old master's style—even his clubs—to win the National Open golf championship yesterday.

Jack Fleck, 32, operator of two municipal golf courses at Davenport, Iowa, played the four-time links king off his feet in the first 18-hole playoff of the Open in five years. He took the lead on the fifth hole and held it grimly, posting a 1-under-par 69 as Hogan skidded to a 72 over the heavily roughed and lightning-fast greens of the Olympic Country Club's lake course.

Fleck's triumph was a dandy—and a heartbreaker. It was the first tournament of any kind he'd ever won outright and it apparently marked the decline of the Hogan era in golf.

Through With Serious Golf
"I'm through with serious competitive golf," Hogan said in a choked voice to thousands of fans packed on the hillside overlooking the 18th green after it was all over.

"I want to become a weekend golfer. It's too hard to train for a big tournament."

Just how he meant it defied interpretation. He was a tired man, discouraged at his failure to reach the coveted honor of being the first man in history to win five Open titles. The feeling was that he might—probably would—make another bid for the crown by the time next year rolls around.

New Top Man
Fleck's victory made him top man in the nation's golf picture and netted him \$6,000 in cash prize money plus thousands more from other sources. He is the longest shot to win the Open title since Sam Parks pulled the trick 20 years ago.

Hogan won \$3,600. The actual triumph was almost too easy, an anticlimax to the sensational surge of birdies Fleck rode into a 287 tie with Hogan late Saturday to force the playoff.

Fluffs Easy Putt
Fleck took command on the fifth hole when Hogan decided to play his second shot safe after slicing his drive into the rough and wound up with a bogey 5. The one-stroke lead was all Fleck needed.

Hogan birdied the short eighth—and Fleck did the same. Two more birdies on successive holes put Fleck three strokes ahead after 10 holes.

He bogeyed the 11th, but Hogan gave the stroke right back by fluffing a 12-inch putt on the 12th.

Trouble On 18th
The grim-faced Hogan, smoking incessantly, stroked in a 20-foot putt for a birdie on No. 14, and clipped his deficit to a single stroke on the 17th when Fleck's second shot was short, forcing a bogey 5.

But Fleck was equal to the pressure on the 18th, with a sudden-death finish facing him if he failed to hold his lead. He was on easily in 2 and was down in 4, but not so with Hogan. The veteran competitor drove into the rough, then moved his ball only four feet with two swings, and finally made the fairway with his fourth. He was on in 5 and one-putted for a double bogey windup.

Strack, who won the Pennsylvania Interscholastic Athletic Association golf title in 1950, carded birdies on four of the last eight holes in the final round of the four-day competition over the Colonial Country Club course.

WILMINGTON, Del. (AP)—The 10 leading jockeys of Delaware Park's 1954 meeting are expected back for the 32-day session which runs through July 4. They are: Jack Westrope, last year's top rider with 23 wins; Norman Cox, Glen Lasswell, Nick Shuk, Willis Lester, Willie Hartack, Oliver Cutshaw, J. A. Regaluto, Willie Passmore and Bobby Stovall.

York Golfers Wins State Amateur Title
HARRISBURG (AP)—Charles Strack, of York, former state schoolboy golf champion, today held the Central Pennsylvania Amateur Golf title.

Strack came from behind yesterday to defeat Bill Davidson, Carlisle, 4 and 3, in the final round of the Central state tournament.

Strack, 21, representing the York County club, trailed by three strokes entering the sixth green but picked up steam after that to outplay his opponent.

TWO FROM PHILLY WIN STATE TITLES

SHAMOKIN, Pa. (AP)—John Wolfe and Mrs. Louis Wolfe, both of Philadelphia, won the men's and women's handicap shooting events at the state championships sponsored by the Pennsylvania Trap-shooter's Assn.

Mrs. Wolfe was forced into a special shootoff yesterday when she finished the first 100 targets tied with Mrs. George Schroeder, also of Philadelphia. Each had hit 84. In the shootoff Mrs. Wolfe scored 23 of 25, two better than Mrs. Schroeder.

Taking third was Caroline Elliott, Drexel Hill, with an 83 and who earlier won the women's open event (no handicaps) over Mrs. Wolfe.

Wolfe scored off 97 of 100 to beat out William Person, Allentown, by three hits. He succeeds Al Koppenhaver of the host Shamokin Valley Gun Club who had a 58.

The all-around 1955 champion went to Orville Eberly of Uniontown who had a score of 89 of 100.

BOBO OLSON IS UNDERDOG IN MOORE BATTLE

By JACK HAND
The Associated Press
Bobo Olson bids for a spot among the ring's super champions Wednesday night when he challenges Archie Moore for the world light heavyweight title at New York's Polo Grounds.

The balding middleweight king from San Francisco is a 9-5 underdog, however, against Archie the Gypsy who will be making his fourth defense.

Weight is the big problem for Moore, who had to boil down to 175 pounds. His weight at Las Vegas, May 2, when he whipped Nino Valdes, was announced at 189½ pounds although some claim he really weighed 10 pounds less.

Olson, normally a 168-pounder who has to work hard to make the 160-pound middleweight limit, will come in at about 170 pounds.

The bout will be carried by ABC radio and TV.

A victory for Archie will put him in line for a Sept. 22 date with heavyweight champion Rocky Marciano.

Fight At St. Nick's
Gene Poirier, already mentioned as a "Rookie of the Year" candidate, boxes Oscar Pita of Argentina tonight at St. Nicholas Arena, The Niagara Falls, N. Y., welter will be gunning for his fourth straight knockout. His record is 12-2-1 for 15 pro starts.

Pita has 24 knockouts in his perfect 41-0 record. He has fought only once in the United States, winning a decision over Fred Montfort at Brockton, Mass., April 25.

YORK MAN LEADS WEIGHTLIFTERS IN RED MATCHES

MOSCOW, (AP)—An American weightlifting team left Moscow today by plane for Copenhagen after a round of entertainment and an amazing display of friendship by the Russian man in the street.

"We won't need any brainwashing when we get home," said Robert Hoffman, York, Pa., manufacturer and manager of the squad which met the Russians in matches at Moscow and Leningrad last week.

The contest was the first dual athletic competition between American and the Soviets, and never in recent history have any U. S. visitors been so honored by the ordinary Russian as this group.

Applaud Flag
Never before was the American flag and national anthem so applauded, and the Americans have been mobbed by crowds in Moscow subways in friendly greetings.

Paul Anderson, American heavyweight champion from Tacoma, Ga., even reported Russians attempted to persuade him to wed a Russian girl after he gave a record breaking performance in the Moscow meet.

ARGENTINIANS ARE GOING BACK TO WORK AGAIN

By FRED L. STROZIER

BUENOS AIRES (AP) — Armed troops patrolled downtown Buenos Aires Saturday as stores shuttered by South America's bloodiest revolt in many years cautiously started to open again for business.

President Peron set up his headquarters in the Army Ministry, surrounded by military chiefs whose forces put down the naval-air uprising Thursday.

Millions of Argentine workers went back to their jobs after a 24-hour general strike called in mourning for the 360 persons killed and nearly 1,000 wounded in the short but violent action.

Appealing to the nation for calm, Peron said in a broadcast Friday night the revolt had been put down and peace prevailed throughout the country.

(A radio station claiming to be a clandestine rebel transmitter, heard in Montevideo, Uruguay, reported widespread areas of continued resistance, however. It said naval forces at Puerto Belgrano, in southern Buenos Aires Province, had risen against the government and that two warships had put into that base under orders of Rear Adm. Anibal O. Oliveri. This officer was replaced yesterday as Peron's navy minister.

(The newspaper La Manana in the Uruguayan capital also received "a confirmed report" that most of the warships of the Argentine navy had joined the revolt. It said the vessels were on the high seas but their exact whereabouts were unknown. The Argentine navy includes two old battleships, five cruisers, one coast defense vessel, 11 seagoing destroyers and various smaller ships.

State Of Siege

The Peron government was ruling under a state of siege—a modified form of martial law—which gives authorities the right to make on-the-spot decisions to curb troublemakers. Congress quickly approved the declaration of a state of siege yesterday at the president's request.

Frozen Passenger Will Get Free Ride

PHILADELPHIA (AP) — Manuel Ramirez is again planning a train trip to his Laredo, Tex., home—this time the easy way.

Ramirez, 28, lost his job in Chicago last week and climbed in a refrigerated boxcar hoping it would carry him to Texas. The car was sealed and Ramirez arrived instead in Philadelphia five days later, having gone without food or water all the while.

On Friday, Joseph T. Roddy, an engineering firm executive, told the penniless Ramirez, who is still recuperating in a hospital, that he would pay his fare.

"It will be nice to go home riding in a passenger train," Ramirez said.

Saturday, the Army Ministry said the "army high command has progressively taken over control of the internal order throughout the country" under orders from Peron.

(The U.S. Embassy in a report to Washington estimated that seven churches were affected by the mob violence. A Reuters dispatch from the Argentine capital said every Catholic church in the downtown section and the Roman Catholic diocesan headquarters were set afire.)

Reporters Barred

The bulk of the fighting in the capital centered around Government House—known as Casa Rosada (pink house)—on Central Plaza de Mayo, which was bombed and strafed in a series of air attacks.

Damage in the Plaza de Mayo area apparently was heavy, although there has been no official estimate of the total. Correspondents have been barred from a first hand inspection by a police cordon which closed off a 15-block zone to allow demolition squads to deal with unexploded bombs. The squads were continuing this hazardous task today.

Among the buildings damaged in the air attacks were the U.S. and British embassies. Falling bombs broke windows and caused other slight damage in the American embassy, located in the building of the First National Bank of Boston, a block from the Plaza de Mayo.

A bomb that missed Peron's residence in suburban Palermo shattered all the glass in the British embassy.

SEN. KNOWLAND PROPOSES ACID TEST FOR RUSSIA

By JACK BELL

WASHINGTON (AP) — Sen. Knowland (R-Calif.) proposed Friday that President Eisenhower lay down at the July Big Four conference a "pattern for peace" to provide an acid test of Russian world intentions.

Agreeing that a statement of Allied principles is needed, Sen. Humphrey (D-Minn.) suggested in a separate interview that Democratic leaders such as former Secretary of State Dean Acheson be invited by the administration to sit in on its drafting.

Knowland, Senate Republican leader, said Eisenhower should be prepared at the meeting with the Premiers of Britain, France and Russia to state the free world's position on such vital issues as free elections in the Soviet satellites and the conditions for reuniting Germany.

Sees Opportunity

"I think the opportunity will be there to demonstrate that the free world is seeking peace," Knowland said. "The President could lay down a pattern by which peace could be achieved."

"That would put the Russians on a spot. If they refuse even to discuss elections in the satellite countries, for instance, the world will quickly see through the sham of their professed peaceful intentions."

Knowland originally opposed a Big Four meeting. He said now that one has been arranged he wants this country to assume the offensive in the battle of ideologies.

He disputed in the Senate yesterday a charge by Sen. McCarthy (R-Wis.) that Eisenhower had made "a tragic blunder" in ever agreeing to the meeting. McCarthy said Eisenhower had "agreed to play with a stacked deck" with the prospect that the outcome would be "a thumping Communist victory."

Knowland replied that he, for one, was not going to take the attitude "that only defeat can come out of" the Geneva meeting.

Conspirators To Hijack Sentenced

PHILADELPHIA (AP) — Twelve men, charged with conspiring to hijack 935 cases of whiskey from a Clearview, Pa., truck driver, have received prison sentences ranging from 8 to 15 months.

The men, who pleaded guilty Monday, were sentenced Thursday by federal Judge J. Cullen Ganey. They were accused of conspiring to steal \$30,000 worth of whiskey from a trailer-truck driven by Earl Hall, 45, Clearview, last Jan. 19.

Sentencing for three other defendants in the case has been deferred. All are Philadelphia residents.

SAY 15 REBELS KILLED IN FIGHT

SAIGON, South Viet Nam (AP) — A national army spokesman said Saturday 15 members of the encircled Hoa Hao religious sect army have been killed, 50 wounded and 16 captured in hand to hand fighting the past 24 hours.

Authoritative sources said the rebel forces are trapped in a four-mile square between Rachgia on the west coast and Thot Not, 35 miles northeast. They are threatened by 15 government battalions.

Among those reported trapped are the Hoa Hao's two top generals—Le Quang Vinh, popularly known as Bacut, and Tran Van Soai. With them, the source said, are ousted Chief of Staff Nguyen Van Hinh and the army's outlawed former inspector general, Nguyen Van Vy.

Soai's forces were lured out of the Can Tho Long-Sadec area about 90 miles west of Saigon, three days ago to make a junction with Bacut's remnants. The army laid the trap by spreading false information and staging aerial maneuvers in another sector.

ATHENS, Greece (AP) — Greece is the latest target of the Kremlin's new friendship campaign. The Russians say they would like to see an improvement in Athens' relations with both Moscow and the Soviet satellite states.

This was disclosed early Friday by Foreign Minister Stephanos Stephanopoulos following a dinner he attended at the Soviet embassy.

LONELY YANKS WILL BE FREED BY RED CHINA

TOKYO (AP) — Red China has said it was sending home three Americans and two Belgians who chose to remain in Red China after the Korean War.

A Peking radio broadcast said 16 others who refused repatriation could come home, too, anytime they choose—and hinted strongly they're homesick.

There was no mention of 11 American fliers held by the Peking government who were captured late in the war when a B29 bomber was shot down. Four Sabre Jet pilots also captured late in the war were released recently at Hong Kong and have reached home.

Those to be released are: Cpl. Lewis W. Griggs, of 406 Kickapoo St., Jacksonville, Tex.; Cpl. Otho G. Bell, 494, Rt. 5, Olympia, Wash.

Cpl. William A. Cowart, 503 Benton St., Dalton, Ga.

Roger Devriendt, Westvlaanderen, Belgium.

Louis Verdyck, Antwerp, Belgium.

One American Died

The broadcast did not say when or where the five would be released but said "we are going through the formalities for their exit and making all necessary arrangements."

The five will leave China when these are completed, the broadcast said.

Of the original 22 U.N. soldiers who chose to go to Red China one died. The Red radio hinted strongly the other 16 are restless and anxious to come home too, dissatisfied with life in a strange country with lower living standards. Of the original 22, one was British, 21 were Americans.

The broadcast said the remaining 16 could leave any time they wish and admitted "difficulties" in keeping them happy in China.

2 Were Court-Martialed

Two other American prisoners of war who at first refused repatriation changed their minds and returned to the United States. Both were court-martialed.

Cpl. Claude J. Batchelor, of Kermit, Tex., was convicted of collaborating with the enemy and informing on his fellow prisoners. He was sentenced to life but this later was reduced to 20 years.

Cpl. Edward S. Dickenson, of Big Stone Gap, Va., was convicted of informing on his comrades and currying favor with his captors. He got 10 years at hard labor.

The U.S. government said Thurs-

day it would arrange the return home of any of the 21 Americans who chose to stay in Red China if they have changed their minds.

However the White House, State and Defense Justice Departments warned in a joint statement that any who do come back will be held accountable "for any wrongful act" they may have committed.

N. J. Lass Wins Baton Crown At Red Lion

RED LION, Pa. (AP) — A Bridgeport, N.J., twirler today is the new national baton twirling champion after winning a competition held in conjunction with this community's diamond jubilee.

Miss Harlette Husted, who won the B Division title earlier on Friday, went on that night to take the national championship from older and more experienced competitors. Runnersup to Miss Husted were Ruth Homer, Audubon Park, N.J., who won the A Division crown for girls over 17, and Gail Haiges, Sharon Hill, Pa.

They're making it the BIGGEST-SELLING BUICK OF ALL TIME

*Maybe you'd better see for yourself

without this great car.*

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and

who have moved Buick more solidly than ever into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car? Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflow™ where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

World's only gas with OCTANE BONUS!

No octane wasted fighting lead deposits

Some refiners have found that the cheapest and easiest way to increase octane rating is by adding lead. But lead in an automobile engine can leave harmful deposits. And lead deposits waste power, cut down usable octane on the road where it counts. That calls for higher octane at the pump. And still more lead. Except in the case of the new Amoco-Gas!

**STANDARD ONE-CYLINDER
LABORATORY TEST ENGINE**

This universal "Octane Rating" engine accurately determines the octane rating of every gas—in the laboratory. It does not measure the harmful effects of lead deposits in an automobile engine.

It tells only half of octane story

**THE REAL TEST ENGINE IS
IN YOUR CAR ON THE ROAD!**

You can only measure the usable octane value of any gas in an automobile engine in use. Here leaded gas can cause metallic deposits that waste octane. All the octane value of new no-lead Amoco-Gas is usable road octane—none is wasted. You get an Octane Bonus on the road.

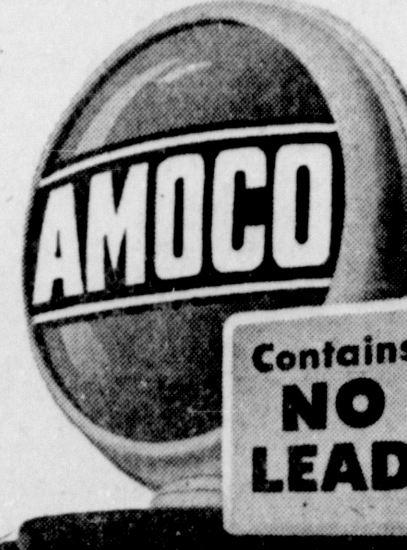

Your car engine tells whole story

A great new Amoco-Gas with an Octane BONUS

It's a white, unleaded gas, made by the patented Ultraforming Process—with such natural high octane that it doesn't need lead!

Every bit of octane-energy in the new Amoco-Gas is used to run your car. Because every drop can burn. No lead deposits form to waste octane—it all reaches the road. The result is an exclusive Octane Bonus that no gas containing lead can match.

REMEMBER THIS! No matter how much octane you pay for at the pump, the only octane you get is the usable octane that reaches the road! With unleaded Amoco-Gas, that's bonus octane... worth trying, worth buying! Come in—try something wonderful!

The white gas with the
Octane BONUS!

Cubage: House 28,200 ft.
Garage
Dimensions 64' x 26'

Called "The Hope," today's presentation from the Home of the Week Plan Service is just the sort of home many families hope to own; its handsomely modern exterior and its roomy, comfortably planned interior combine to make a house ideal in many respects for the family of today.

With overall measurements of 64' x 26', "The Hope" has a cubage of 28,200 feet. At least a 90 foot lot would be required to build the house and attached garage. Leave sufficient area in front of the house for a well cared for lawn and properly placed shrubs; these will greatly increase the exterior charms of the house.

The wide outside chimney placed at the front of the house, and the two large picture windows, also at the front of the house, beautifully and at the same time add to the distinctive appearance of "The Hope." Further individuality is added by the slight overhang of the roof; this

architectural feature also protects front entry.

Both bedrooms, and the study or guest room which can be used as a third bedroom, if your family needs one, are placed in the rear of the house so that these rooms are assured of the greatest possible quiet and privacy. The optional bedroom and the one that is 10 foot square have a closet apiece while the master bedroom features two large closets. All of these rooms have excellent ventilation.

Living room, dining room and kitchen occupy the front area of "The Hope." Largest of the rooms in the house, the 19' x 13' 4" living room has a delightful corner fireplace. Windows in both the front and left walls of the room afford plenty of light and ventilation. The long unbroken back wall is designed as a backdrop for large furniture pieces.

Small but attractive, the dining room opens directly off the kitchen. Hence, it can easily be used for all family meals and leaves the kitchen free as a work center.

If you're the lady of this house, you'll enjoy working in the well lighted, conveniently arranged kitchen. Everything you'll want is within easy reach, and the broom closet, opening on the hallway just across from the kitchen door—will make an excellent storage spot for all your household cleaning equipment.

Your laundry equipment can be housed in the utility room; the door in the back wall provides ready access to the back yard. The heating plant should be placed in the basement under the living room.

BIBLE SCHOOL CLOSING FRIDAY WITH PROGRAM; PARTY FOLLOWS

The Daily Vacation Bible School conducted annually by the Littlestown Ministerium concluded Friday morning. Classes were held each morning, Monday through Friday, for two weeks in the East King Street building. Daily devotions were held in Centenary Methodist Church for the boys and girls of elementary school age. Brief devotions took place each morning for the children of pre-school age in their individual class rooms.

The unified course of the standard Daily Vacation Bible School material entitled "Heroes of the Cross" was used in the study. Members of the Littlestown Ministerium have extended their appreciation to all those who assisted with the teaching, and in any other way, to help conduct the school again this year. The Rev. William C. Karna, president of the Ministerium, served as dean of the school. Miss Gerrie Roberts was registrar. The total registration for the 1955 classes was 307.

The program, presented annually at the close of the DVBS, was held Friday morning at 10 o'clock in Redeemer's Evangelical and Reformed Church. Parents and friends were in attendance. The younger children entertained with group songs, finger plays and group exercises. There were songs, recitations and responsive readings by the older boys and girls. A devotional preceded the program. The arts and crafts projects and samples of the other work done by the children were displayed in the individual class rooms of the school following the program. Parents and friends were invited to see the displays.

ADENAUER SAYS GERMANY STILL "GOOD PARTNER"

BONN, Germany (AP)—West German Chancellor Konrad Adenauer got back to his homework today in preparation for a possible meeting with the Russians.

The 79-year-old Chancellor returned home last night from a strenuous week of visits in Washington, New York and London during which he assured top Western statesmen of his government's loyalty to the Atlantic Alliance.

He declared on arrival that West German views on such coming developments as the Big Four "summit" conference "coincide fully with those of President Eisenhower, Secretary of State Dulles and Prime Minister Eden."

On his trip, Adenauer stressed publicly that his government will "remain a good partner to the West" even though he will "probably" accept the Russian invitation to go to Moscow to discuss establishing trade and diplomatic relations.

He indicated that he would not visit the Soviets until after the Big Four talks in July. But a London report last night suggested that the British think it might be a good idea for him to sound out Moscow intentions before the Geneva conference.

RUSSIA SEEKS TO NEUTRALIZE JAPS, GERMANS

By JOHN M. HIGHTOWER
WASHINGTON (AP) — Russia is now seeking to neutralize Japan as well as Germany in a probable strategy aimed eventually at extending its influence over both key industrial nations.

U.S. officials said Friday that Russia's designs on Japan stand out clearly in one reported price tag which Moscow has put on making a peace treaty with Tokyo—withdrawal of U.S. troops 90 days after the treaty became effective.

When the United States and most of its World War II allies signed a peace treaty with Japan, a separate agreement was negotiated. It said American forces may remain in Japan as long as a danger of Communist aggression exists and the Japanese are unable to meet it effectively.

Change Of Tactics
The State Department made no comment on the Tokyo reports. Officials said the treaty discussions between Russia and Japan, being held in London, are formally no affair of the United States. Russia's designs are a matter of intense interest here, however.

What now appears to be true is this: The Soviets have discovered that strong-arm tactics such as they were using as recently as last winter merely strengthen antagonism against them. Without abandoning their major objectives, they now are using completely different tactics—the tactics of good will and peacemaking.

Lures Of Future
The major purpose defensively is to split the United States apart from its allies in Europe and Asia—to leave it isolated and to leave Allied countries without the source of military strength which this country has provided since the cold war began.

Their purpose offensively, while smokescreened by peace talk now, is eventually to expand their power over Germany and Japan, whose industrial resources could swing the military balance in Europe, and Asia.

In Europe the Soviets can try to lull French fears of a revived German military machine with neutrality arguments. In both Europe and the Far East they can hold out the lures of a peaceful future.

Reporter Does First-Hand Story

DAYTON, Ohio (AP) — Reporter Tony Svet interviewed a pacing father outside Miami Valley Hospital's maternity ward yesterday. He had just started writing his story, a Father's Day feature for the Journal Herald, when a call from Mrs. Svet sent him scurrying. He was soon pacing the same hospital corridor. It was a boy, and Svet finished his feature—with personal touches.

Ex-Daredevil Makes Parachute Jump At 70

DETROIT (AP) — Seventy-year-old Jack Clapp parachuted from a plane yesterday to prove "a man is only as old as he feels." A flying daredevil in his younger days, he planned the stunt after he was forced by age to retire as a painter with city schools. He somersaulted a few times before pulling the ripcord.

HOUSE LEADERS SEEK PASSAGE OF PAYROLL BILL

WASHINGTON (AP) — House leaders called up for expected quick passage today a bill to give more than a million rank-and-file government workers a 7½ per cent pay raise. That would add \$25 million to the federal payroll.

There was no sign of organized opposition.

The Senate has voted a 10 per cent raise, and House advocates of higher pay were aiming to win their 8 per cent goal in the compromise which must be worked out later by Senate and House conferees.

Want No Fight
House leaders were clearly in no mood for a repeat of the long battle over increases for the 500,000 postal workers. This fight ran into a veto by President Eisenhower before Congress gave ground and settled on an average 8 per cent raise.

Although the 7½ per cent hike for classified government workers was more than Eisenhower asked, leaders did not anticipate a veto even if the final compromise goes up to 8 per cent.

Enactment of the pay bill retroactive to March 1, will complete a round of federal wage increases voted by this Congress totaling nearly 1¼ billion dollars a year, in addition to a 50 per cent increase to \$22,500 a year for Congress members and substantial boosts for federal judges.

Career military personnel were voted incentive pay increases ranging from 6 to 25 per cent, and totaling an estimated 734 million dollars a year. Postal workers next won an average 8 per cent increase, amounting to 165 million a year.

Man is one of the few mammals that has to learn to swim.

IKE'S APPEAL MAY HELP MOVE RESERVE BILL

By RUSSELL BRINES
WASHINGTON (AP) — Backstage moves to break a House stalemate over the military reserve bill appeared to be underway today after President Eisenhower had made a fresh appeal for its enactment.

Chairman Vinson (D-Ga.) of the House Armed Services Committee said he would make a statement Tuesday, but would give no advance hint of what he has in mind.

The Senate Armed Services Committee yesterday postponed efforts to prepare its own bill to await possible further action in the House.

Measure Sidetracked
A measure designed to add another two million men to the trained reserve force by 1960 was sidetracked in the House last month after it was amended on the floor to bar the assignment of reservists to racially segregated National Guard units.

The bill is classified as "unfinished business" on the House docket and can be brought back to the floor again. Or a compromise measure could be introduced.

Eisenhower, bringing a three-day government preparedness exercise to a close on Friday, said the program to strengthen the nation's reserves must be enacted promptly "for the security of the United States and its 165 million people."

Won't Back Down
And referring indirectly to the segregation issue, the President said no "social or political" considerations should be allowed to stand in the way.

Rep. Powell (D-NY), sponsor of the anti-segregation amendment, has said he would not back down, but he also has said he would accept a bill which would eliminate authority for assignment of reservists to any National Guard units.

A spokesman for the National Guard Assn. said Saturday that organization would fight this type of measure. He said the Guard estimates it will need between 100,000 and 150,000 reservists a year to meet its buildup quota.

In colonial times, 40 per cent of the people in what became the United States were under 15 years old compared with 27 per cent today.

matron of honor Mrs. James K. Stock, New Oxford, sister of the bride, was the bridal attendant. Both wore orchid-colored gowns of net over satin. They carried colonial bouquets of mixed summer flowers and wore matching head-dresses.

In Wedding Party
Steven Harner, Taneytown, a cousin of the bridegroom, the ring-bearer, carried a heart-shaped pillow tied with white satin streamers. Miss Barbara Alteman, East Berlin, niece of the bride, wore an orchid dress of net and satin. She scattered rose petals and petals from mixed flowers before the bride.

Daryl Heasley, Corry, Pa., a fraternity brother of the bridegroom, served as best man. Ushers were Nyle Myers, New Oxford, and Melvin Durborow, Gettysburg, brothers of the bride and bridegroom, respectively.

The bridegroom's mother wore a pink dress with white accessories and a corsage of white sweet-heart roses. The mother of the bride appeared in a blue dress with pink accessories and a corsage of pink sweetheart roses.

Reception For 200
Immediately following the ceremony a reception was held in honor of the newlyweds in the church parish hall with 200 guests in attendance. Afterwards the couple left on a honeymoon of two weeks through the south. As a going-away ensemble the bride wore a white dress with white accessories and a corsage of white orchids.

Out-of-town guests were from Washington, D. C., Baltimore, Philadelphia, Pittsburgh, New York City, Allentown and neighboring communities.

The bride, a graduate of the New Oxford High School, is presently employed at the Livingston Shoe Company.

The bridegroom a graduate of the Gettysburg High School, is a student at the Pennsylvania State University where he is a member of the Delta Theta Sigma Agriculture Fraternity.

In the fall Mr. Durborow will resume his studies at the university where the couple will live in a trailer.

Reimers, an airplane company employee, had been downtown. He said he stopped at a tavern before heading home early yesterday morning. He found the two boys bawling with a rolling pin and slashed with a knife. Authorities said apparently the younger boy had been slain in his crib, then thrown on the bed of the older boy, also slain.
